

Additional Resources

www.stopalcoholabuse.gov

StopAlcoholAbuse.Gov is a comprehensive portal of Federal resources for information on underage drinking and ideas for combating this issue. Community members interested in underage drinking prevention—including but not limited to parents, educators, youth, concerned citizens, prevention specialists, business leaders, law enforcement and public health officials—will find a wealth of valuable information here

www.theantidrug.com

TheAntiDrug.com was created by the National Youth Anti-Drug Media Campaign to equip parents and other adult caregivers with the tools they need to raise drug-free kids. Working with the nation's leading experts in the fields of parenting and substance abuse prevention, TheAntiDrug.com serves as a drug prevention information center, and a supportive community for parents to interact and learn from each other.

www.toosmarttostart.samhsa.gov

Provides useful programs and strategies, downloadable materials, interactive games and exercises, and other resources to help youth, families, educators, and communities respond to *The Surgeon General's Call to Action To Prevent and Reduce Underage Drinking* and succeed in preventing underage alcohol use and its related problems

www.camy.org

The Center on Alcohol Marketing and Youth at Georgetown University monitors the marketing practices of the alcohol industry to focus attention and action on industry practices that jeopardize the health and safety of America's youth.

www.drugfree.org/parents360

Parents360 -- "Parents: You Matter" is a community education program designed to provide parents and other caring adults with valuable insights into why kids use, how parents can communicate and keep the conversation going, and what steps to take if they suspect or know of use. All of the information you need to organize and deliver the "Parents: You Matter" presentation in your community is available free of charge from the Partnership for a Drug-Free America (PDFA).

www.timetotalk.org

Also from the PDFA, this website provides easy-to-use guides and tips to help you have ongoing conversations with your kids to keep them healthy and drug-free.
